## SKILLS

---

**Technical Skills**      HTML, CSS, Java, MySQL

**Soft Skills**              Team Collaboration, Adaptability

## PROJECTS

---

### Library Book Due Remainder Application

- Built an app for library management with two interfaces: one for admins and one for students.
- Admins can manage borrowed books, while students receive due date reminders.

### Airline Management System

- Created a system to manage airline resources like passengers, planes, and airports.
- Added features to easily add, edit, and delete records to improve operations.

### Accident Tracker

- Developed an IoT system using RFID to track accidents and send alerts.
- The system notifies family members and nearby hubs to ensure quick assistance.

## CERTIFICATIONS

---

- Java - Trained on Udemy
- Web Development - Course by Mind Luster
- MySQL - Certification from HackerRank

## LANGUAGES

---

- Tamil
- English
